**Subject:** ACCJC Board Votes to Maintain 2023-2024 Membership Dues at the 2022-2023 Level – No Increase

I am pleased to share that at its meeting held June 2, 2022, the ACCJC Board of Directors took unanimous action in support of maintaining Annual Membership Dues for 2023 – 2024 at the 2022 – 2023 level. This will be the fourth consecutive year that dues have not been increased and is a recognition of the important steps that ACCJC has taken to be financially responsible amid the uncertain and challenging times we have all faced.

I look forward to the year ahead and to continuing the important work of the Commission and ACCJC staff as we continue to strengthen the peer review process and support our institutions as they seek new ways to achieve equitable student outcomes. My hope is that ACCJC will continue to partner with you and your colleagues to build a system of evaluation that adds value for all stakeholders.

The 2023– 2024 Annual Membership Dues Schedule is attached for your reference and budget planning.

If you have any questions regarding the dues or fees schedules, or billing, please contact Cheri M. Sixbey, Senior Vice President, at [csixbey@accjc.org](mailto:csixbey@accjc.org).

On behalf of the ACCJC Board, thank you for all the work you are doing on behalf of students. I look forward to our continued work together in support of peer review accreditation.
