

ACCJC CONFERENCE  
**PARTNERS** | 20  
IN EXCELLENCE | 26

Dear Colleagues,

ACCJC invites you to submit a poster proposal for the [2026 Partners in Excellence Conference](#) taking place November 17-18, 2026, in Riverside, California.

Institutions thrive when their communities are aligned by purpose and united in action. In a time marked by technological disruption, evolving student expectations, and heightened public accountability, higher education is being called to lead with clarity, courage, and collaboration. This year's theme, *Shared Vision, Shared Voice: Advancing Student Success Through Inclusive Governance*, challenges us to consider how shared vision strengthens institutional direction and how shared voice, across trustees, faculty, administrators, staff, and students, deepens both accountability and impact.

ACCJC is seeking poster proposals that showcase measurable outcomes, innovative practices, and cross-functional collaboration demonstrating how our institutions are turning shared vision into student impact.

The poster session will take place during the Opening Reception on Tuesday evening, offering a dynamic opportunity to share your work and engage with colleagues from across the ACCJC community.
