The [2026 ACCJC Partners in Excellence Conference](#) program is designed to foster meaningful dialogue, shared learning, and actionable insight for colleges navigating an increasingly complex higher education landscape. Grounded in the theme *Shared Vision, Shared Voice: Advancing Student Success Through Inclusive Governance*, the program brings together national leaders, campus practitioners, and institutional stakeholders to explore how alignment, collaboration, and evidence-informed practice strengthen institutional effectiveness and student outcomes. Across **plenary sessions, breakouts, forums, and poster presentations**, participants will engage with timely topics shaping the future of community colleges and higher education systems.

The conference will feature participation from:

Tia Brown McNair, Vice President of Strategy and Collective Impact, Alliance for Higher Education

Patrick Methvin, Director of Postsecondary Success, Gates Foundation

DeRionne Pollard, President, American Association of Community Colleges

Sonya Christian, Chancellor, California Community Colleges

Wendy Hensel, President, University of Hawai'i System

Please join us November 17–18, 2026, in Riverside, California. Together, we will explore not only how institutions meet standards, but how they rise to meet the moment.

Registration, program, and venue/hotel information is available on the [conference website](#).
