2018—2019
V5-Aggregate Verification

Your application for federal financial aid was selected for review in a process called “Verification.” In this process, we will be comparing information from your FAFSA application with your Federal tax information, W-2 forms and/or other financial documents. The law says we must ask you for this information before awarding financial aid. If there are differences between your application information and your financial documents, corrections will need to be made to your application and your information will be reprocessed.

You must complete and sign the worksheet and submit it along with any documents requested below. We cannot continue processing your financial aid application and will not award you any federal aid until verification has been completed. Contact our office if you need assistance in filling out this form at (684) 699-9155 or faid@amsamoa.edu.
