# Word of the Day

**mammonism** \ MAM-uh-niz-uhm \ noun;

*The greedy pursuit of riches.*

## WEIRD LAWS: (TEXAS)

- 1) *A recently passed anti-crime law requires criminals to give their victims 24 hours notice, either orally or in writing, and explain to the nature of the crime about to be committed.*
- 2) In El Paso, appearing in public places wearing a “lewd dress” is prohibited.
- 3) *In Galveston, it is illegal to drive a motor car down Broadway before noon on Sundays.*
- 4) In Lubbock County, it is illegal to drive within an arm’s length of alcohol- including alcohol in someone else’s bloodstream.
- 5) *In Port Arthur, obnoxious odors may not be emitted while in an elevator.*

## LOGIC PROBLEM

In a one-story pink house, there was a pink person, a pink cat, a pink fish, a pink computer, a pink chair, a pink table, a pink telephone, a pink shower-  
- everything was pink!

What color were the stairs?

*Ans: There weren't any stairs, it was a one-story house ☺*

## FUN FACTS:

- 1) When someone looks at a new love, the neural circuits that are usually associated with social judgment are suppressed.
- 2) *Caffeine boosts memory.*
- 3) A portion of the water you drink has already been drunk by someone else, maybe several times over.
- 4) *Our eyes are always the same size from birth.*
- 5) It is possible for you to survive even after the removal of the spleen, the stomach, one kidney, one lung, 75% of the liver, 80% of the intestines, and almost every organ from the pelvic and groin area.

*Solution to 'Hotel Bill':*

*The \$2 has a complete different meaning and the amount has just been used as a confusing explanation by mixing values with different meanings. The \$2 was never returned to the visitors but always stayed in the "hotel's property". Therefore, the \$2 does not explain the difference between \$27 and \$30 at all.*

*Thought for the day:  
No one is in charge of your happiness  
but you ☺*
