### "The Veterans Educational Assistance Improvements Act of 2010"

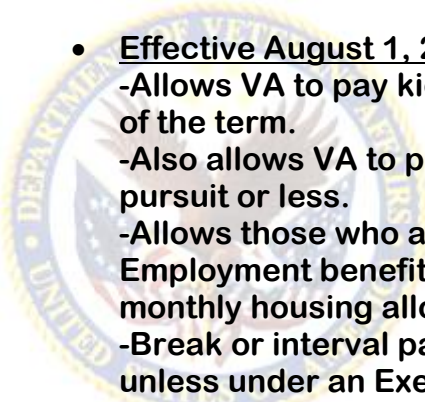

Was signed into law by the President on January 4, 2011. The law makes some significant changes, primarily to the Post 9/11 (Ch 33) GI Bill but it also impacts other Education Programs. Here are some changes under Public Law (P.L.) 111-377 to VA benefits:

(list them as stated in the slide)

Further questions should be addressed or directed to the ASCC, Veterans Student Coordinator, Ms. Rosie Tago Lancaster, 699-9155, ext. 426.

#### Provisions of the law:

- **Effective now but not payable until Oct 1, 2011:**  
Expands the Post-9/11 GI Bill to include certain Active Service performed by National Guard members who served under title 32 U.S.C. for the purpose of organizing, administering, recruiting, instructing, or training the National Guard; or under section 502(f) for the purpose of responding to a national emergency.
- **Effective March 3, 2011:**  
Limits active duty members pursuing a degree at more than half-time to the net cost for tuition and fees prorated based on the eligibility tiers (40% - 100%) previously established for Veterans.  
Same limitations apply to transferee spouses of active duty service members.

- **Effective August 1, 2011:**

- Allows VA to pay kickers on a monthly basis instead of a lump sum at the beginning of the term.
- Also allows VA to pay kickers to those who are attending school at a half-time rate of pursuit or less.
- Allows those who are eligible for both Ch 31 Vocational Rehabilitation and Employment benefits and Post-9/11 GI Bill benefits to choose the Post-9/11 GI Bill's monthly housing allowance instead of the Chapter 31 subsistence allowance.
- Break or interval pay is no longer payable under any VA education benefit program unless under an Executive Order of the President or due to an emergency situation such as a natural disaster or strike.
