TUITION ASSISTANCE (TA)

Tuition Assistance (TA) is a Department of Defense (DOD) program. Veterans Affairs (VA) does not administer TA. Tuition Assistance rules vary by branch of service of service and can even vary between units depending on whether the unit is active, reserve, or National Guard.

If a student receives education benefits from VA and receives TA benefits from the military, duplication of benefits may be an issue. The issue might involve VA regulations, DOD regulations, or both since VA and DOD both have regulations about receiving VA benefits and TA at the same time.

Further questions should be directed to your unit administrator, 1SG or Company Commander.
