Word of the Day

ataraxia \at-uh-RAK-see-uh\

noun:

A state of freedom from emotional disturbance and anxiety; tranquility.

The former breathes only peace and liberty; he desires only to live and be free from labor; even the **ataraxia** of the Stoic falls far short of his profound indifference to every other object.

FUN FACTS:

- 1) Did you know Disneyland does not sell chewing gum? Walt Disney did not want guests inconvenienced by stepping on gum purchased in the park!
- 2) Texas State Law prohibits taking more than 3 sips of beer at a time while standing!
- 3) *Birth control pills designed for humans will also work for gorillas!*
- 4) *There is a fruit in Africa called 'miracle fruit' which has the ability to temporarily change a human's taste buds!*
- 5) Moles have to eat every few hours or will starve to death 😊

The More You Know...

Long time ago there lived a priest who was extremely lazy and poor at the same time. He did not want to do any hard work but used to dream of being rich one day. He got his food by begging for alms. One morning he got a pot of milk as part of the alms. He was extremely delighted and went home with the pot of milk. He boiled the milk, drank some of it and put the remaining milk in a pot. He added slight curds in the pot for converting the milk to curd. He then lay down to sleep.

Soon he started imagining about the pot of curd while he lay asleep. He dreamed that if he could become rich somehow all his miseries would be gone. His thoughts turned to the pot of milk he had set to form curd. He dreamed on; "By morning the pot of milk would set, it would be converted to curd. I would churn the curd and make butter from it. I would heat the butter and make ghee out of it. I will then go to that market and sell that ghee, and make some money. With that money i will buy a hen. The hen will lay may eggs which will hatch and there will be many chicken. These chicken will in turn lay hundreds of eggs and I will soon have a poultry farm of my own." He kept on imagining.

"I will sell all the hens of my poultry and buy some cows, and open a milk dairy. All the town people will buy milk from me. I will be very rich and soon I shall buy jewels. The king will buy all the jewels from me. I will be so rich that I will be able to marry an exceptionally beautiful girl from a rich family. Soon I will have a handsome son. If he does any mischief I will be very angry and to teach him a lesson, I will hit him with a big stick." During this dream, he involuntarily picked up the stick next to his bed and thinking that he was beating his son, raised the stick and hit the pot. The pot of milk broke and he awoke from his day dream.

Moral: *There is no substitute for hard work. Dreams cannot be fulfilled without hard work.*

Thought for the day:

A smooth sea never made a skilled sailor ;)

Have a great week 😊
