Financial Aid

1. Students that need to do corrections on their financial aid application may do so at the MIS computer lab.
2. Pick up an attendance form if you are not adding or dropping any classes if all your classes are posted with no other changes, please see the financial aid office for an attendance form.
3. If you graduated high school after January 1, 2005, please be sure to turn in a high school transcript to the financial aid office.
4. The financial aid office will ONLY process financial aid for students that have the following:
 - a. Complete Financial Aid application
 - b. High School transcript (required only for students that have graduated after 1/1/05)
 - c. Copies of the following documents:
 - i. High School diploma
 - ii. Local ID
 - iii. Birth Certificate and/or US Passport
 - iv. Social Security Card
 - d. Attendance form (complete with signatures from instructors)
5. If you are not sure of your financial aid status be sure to stop by the financial aid office and see the appropriate counselor.

WHY STUDENTS SHOULD BRING THEIR TRANSCRIPTS:

The reason for this is the Academic Competitiveness Grant, or ACG. Last year this grant was only offered to students who are U.S. citizens. **This year it is open to U.S. nationals.** Eligibility for ACG is dependent on student's coursework while in high school and only if you graduated in 2005 or later. It is not open to students who graduated from high school before 2005. In order for the financial aid office to determine if you are eligible, we must review your high school transcript. Successful completion of a rigorous high school program as identified by the U.S. Secretary of Education includes the following:

- 4 years of English
- 3 years of mathematics (Algebra I and above)
- 3 years of science, including 2 of the following: biology, chemistry and physics
- 3 years of social studies
- 1 year of language other than English. Your transcript must specify the name of the language course you completed. If you took Samoan Culture instead of Samoan Language, you are not qualified.

If you know you did not successfully complete a rigorous high school program of study, you may simply let your financial aid counselor know that fact and you will not have to provide your transcript.
